Performance data quoted represents past performance; past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance of the Fund may be lower or higher than the performance quoted. Performance data current to the most recent month end may be obtained by calling 888-686-2729, or visiting www.adirondackfunds.com.

Per the prospectus, the Fund's gross annual operating expense ratio is 1.59% (net 1.48% with fee waiver/expense reimbursement arrangement). The Advisor has contractually agreed to waive fees or reimburse the Fund to the extent necessary to maintain the Fund's total annual operating expenses at 1.48% until August 1, 2024, subject to termination by the Fund on 60 days' written notice.

## **Important Risk Information**

The Fund invests in smaller companies, which involve additional risks such as limited liquidity and greater volatility. Additionally, value investing is subject to the risk that a company's intrinsic value may never be fully realized by the market.

The Fund's investment objectives, risks, charges and expenses must be considered carefully before investing. The prospectus contains this and other important information about the investment company, and it may be obtained by calling 1-888-686-2729, or visiting www.adirondackfunds.com. Read it carefully before investing.
